British artist Simon Attack's spectacular painting brings this outstanding jet aircraft to life in a dramatic recreation of an event that took place on 14 May 1965. F-100D Super Sabres of the 416th "Silver Knights" Squadron, 31st Tactical Fighter Wing, based at Da Nang, execute a devastating attack on communist NVA guerrilla forces in the Bac Lieu region of South Vietnam. Please visit the "Military Gallery" at www.militarygallery.com, or call 1 (805) 640-0057.

Dues Status

If your DUES STATUS (printed on the envelope this came in) is "In Arrears," our records show that you have not paid for 2010: \$25 payable on or before January 1 of each year.

If you are "In Arrears," please take care of that Member responsibility ASAP!

If you're not sure of your dues status, take action to find out! Contact: CFO (David Hatten) at email, david@houseofhatten.com / phone (512) 261-5071, or Editor (R. Medley Gatewood) at rgatewood@comcast.net / phone (505) 293-8396.

The Intake is published three times per year by the Super Sabre Society Inc., d.b.a. **Super Sabre Society, P.O. Box 341837, Lakeway, TX 78734. (Dues should be sent to this address!)** The society is open to all F-100 Fighter Pilots, F-100 Wild Weasel Bears and F-100 Squadron Flight Surgeons. Associate memberships will be offered at the discretion of the Membership Committee. There is no political agenda, although we support and respect the office of the President of the United States. There is no religious agenda, although men who trusted their lives to a slatted wing and a single J57 engine also trust in a higher authority. There is no social agenda, except to meet each other in mutual respect and admiration. We are the men who flew the mighty Hun! Visit our Web site frequently at www.supersabresociety.com.
