The society is open to all F-100 Fighter Pilots, F-100 Wild Weasel Bears, and F-100 Squadron Flight Surgeons. Associate memberships will be offered at the discretion of the Membership Committee. There is no political agenda, although we support and respect the office of the President. There is no religious agenda, although men who trust their lives to a slatted wing and a single J-57 also trust in a higher authority. There is no social agenda except to meet each other in mutual respect and admiration. We are the men who flew the mighty Hun.
